Annual Report of the Policy on Safe Disclosures 2010-2011

Introduction

The *Policy on Safe Disclosure*, approved by Senate and the Executive Committee of the Board of Governors (see Senate minutes (23 May 2007, Minute 6) and Board of Governors minutes (30 October 2007, Minute 7), amended 20 January 2010, Minute 3.3), came into force on 30 October 2007.

The Policy calls for the Secretary-General to report annually to Senate on the application of the Policy. This report is presented to Senate in discharge of this obligation for the period 1 November 2010 through 31 October 2011.

Report

During the twelve-month period from 1 November 2010 through 31 October 2011, no reports utilizing the process established by the *Policy on Safe Disclosure* have been filed with the Secretary-General (or any other member of the senior administration of the University). Thus, no reports have been filed under the Policy since it came into effect.
